## How To Read This Document

Use the Forms Road Map that matches the online EOC forms assignment for your division.  
(Early, Core 1, Core 2, or Core 3)

Version: Online **CORE 1** Divisions

The columns are labeled (left to right) to indicate the availability and order of forms for a Term Graduate student's 1st test attempt, 2nd test attempt, etc.  
Divisions are required to provide remediation to students prior to administering a 3rd or 4th attempt in the same subject.

Indicates whether the test is an **Online** or **Paper** test.

Indicates which form number will be administered. If a range of forms is indicated, any form within the range may be administered.

For an **Online** test, the form group type for which the student must be assigned is listed.

For certain **Online** tests, the DDOT (or designee) must contact the eSOL Team. The eMeasurement System must be setup to administer that form to the student. The DDOT (or designee) must complete the Term Graduate Additional Attempt Request Form and email it to:  
esol@doe.virginia.gov

**A maximum of 48 hours** from the time the form is submitted will be needed to complete the system setup. The DDOT (or designee) will be notified by reply email when the test is available for administration to the student.

Not all subjects have four different forms available to administer.
